

# BEFORE YOU GO **TANZANIA**

## MEDICAL

Have a complete physical and inform your doctor the countries that you plan to visit and that you will be in remote areas with limited medical assistance. Get advice and timing of all inoculations necessary. Please note that there is a shortage of yellow fever inoculation so obtain as soon as possible as it may be necessary to take a partial dose and another when available.

## PASSPORT

Apply for your passport or make sure your existing passport is good for **a minimum of 6 months past the date of entry** and has at least two blank pages.

## FLIGHTS & TOURS

Book and confirm your air arrangements as soon as your tour is confirmed or prior to the tour booking. Please note that tours should be booked **3–6 months in advance** for maximum choice of properties. Tours can be booked as little as 30 days prior at times however limits the choice of properties.

## LUGGAGE & INSURANCE

Ensure you have soft sided luggage. We recommend a duffel bag to lower the weight of your luggage and allow you to bring more clothing and personal items. Flights between countries are by small plane and the weight allowance of 15 kgs is strictly enforced for safety reasons.

Obtain out of country medical insurance. This is mandatory.

## VISAS

Apply for the necessary visas for the countries you will be visiting as soon as air and tours have been confirmed. These are applied for online and warning the amount of time for processing stated online is frequently inaccurate and require much more time than stated. If you are travelling on a Canadian passport you will need a visa for Tanzania and Kenya but will not be required for visitors to South Africa for visits of less than 90 days. You will not be granted entry without these visas and should you be denied entry for any reason your return arrangements will be your responsibility and at your cost and tour costs will not be refunded. If you have any questions in this regard, please refer to your consulate.

## DON'T FORGET!

Provide a copy of your passport, I.D., travel visas, out of country medical insurance, your airline ticket, and a copy of your travel itinerary with a person easy to contact at home.

Ensure you pack all electronics, medications and valuable items in your carry-on luggage. We recommend you avoid bringing any valuables not necessary. You will be having to much fun to need those anyway. Go ahead disconnect!

**If you have any questions, please just email or call we are at your service!**
